

WOMENS SIDELINE CHEER SIZING GUIDE

**We offer two convenient methods to ensure you select the best size:
Body Measurements and Garment Measurements**

Body Measurements:

Chest: Wrap the measuring tape around the fullest part of your chest, under your arms. Keep the tape horizontal and snug, but not tight.

Waist: Measure around the narrowest part of your waist, keeping the tape comfortably loose.

Hip: Stand with your feet together and measure around the fullest part of your hips.

Garment Measurements:

Chest: Lay the garment flat and measure from one underarm point across to the other.

Length: Measure from the top of the neck, straight down to the bottom of the garment.

Waist (Pants/Skirts): With the garment lying flat, measure across the waistband from one side to the other.

Hip (Pants/Skirts): Measure horizontally across the garment at the hip level, from one edge to the other.
